

## STUDENT DRIVERS POLICY

DATE: 4 DECEMBER 2007

---

The safety of students, passengers and pedestrians is of paramount importance to the College. Therefore, senior students who wish to drive to school must have College permission and observe the appropriate regulations. College permission may be obtained by completing a Driving Registration Form available from Reception or the Head of Senior School.

In addition to being bound by all school rules from the time they leave home and until they return home, students are governed by the following conditions:

**No other students** are to travel in the car without written permission of both families.

1. Full school uniform is to be worn while travelling to and from school.
2. Students may not go to the car during classes, free period, recess or lunch.
3. Students must behave responsibly within the community while driving to and from school.
4. Students are not permitted to park on the College property (unless granted permission by the Principal).

The College is not responsible for the security or any damage to student vehicles during the course of the school day.
