To the St Paul's School Community

New School Advisory Council Chair

It is with delight that I write to advise you that a new Chair, Catherine Greenley, has been appointed to the St Paul's College School Advisory Council (SAC).

Catherine comes to the role after a dedicated career as a teacher, educator, and system leader, including experience in schools in the Catholic Diocese of Maitland-Newcastle and with EREA nationally.

Catherine's experience includes:

- a range of school leadership positions, including Deputy Principal and Principal (Interim) in a K-12 Co-ed Catholic School in the Upper Hunter Valley,
- various education roles in EREA, including acting Director of Schools in WA/SA in 2017, and
- National Director of Governance for EREA (up to 2022).

In Catherine's time with EREA, she came to know St Paul's very well and has had many opportunities to observe firsthand the commitment and care the College shows to its students. Catherine's appointment continues the exciting journey of growth and renewal at St Paul's College under the leadership of Principal Paul Belton and his leadership team.

I would also like to take this opportunity to acknowledge the distinguished service provided by the outgoing Chair, Chris Edge. Chris is well known to the community as a College Old Boy, graduating in 2000. Chris managed his service to the College along with a busy career in law where he holds an executive position as a Senior Prosecutor at the ODPP. Chris first joined the SAC in January 2011 and was appointed Chair in 2017, a role he continued until his resignation in August 2023. Chris' commitment to the SAC demonstrates his love for St Paul's College, Catholic Education, and his enjoyment in being able to volunteer. We commend Chris on his outstanding service to the College.

Please join me in congratulating and welcoming Catherine and in acknowledging Chris as he concludes his role as Chair.

Kind regards,

Chris Woolley
